Student government affects them . . . the Student Council and its committees, Women's League and the Men's Union. In classes all learn to know the members of the Departments of Instruction. On the campus they learn to know each other and decide that they not only have the distinction of being the largest Freshman Class in the University's history but that they also have the best. May you all get to be "time-honored" Seniors.

The Kent State University Theatre was organized in 1930 under the direction of Professor E. Turner Stump, Eldon Scoutten was the first student manager of the theatre. Since that time the theatre has gained a state-wide reputation as the best college theatre in the State of Ohio. The yearly schedule includes several one-act plays which are given for assembly and for outside organizations, and four full length plays. For this year the four major productions were, "Enchanted April," "Ceiling Zero," "Strife," and "Winterset."

The Choir consists of a group of students with selected voices, under the direction of Miss Helen McClafin. The Choir gives a special Thanksgiving, Christmas and Easter program in the University Assembly. They also give concerts and programs in surrounding towns and communities. The past several years they have been given high enough rating to broadcast several radio programs, one of which was the famous "Seven Last Words," with special soloists being: Natalie Dick, Soprano; Michael Polli, Baritone; and Robert Orpin, Tenor.

# 1938 CHESTNUT BURR STAFF

To produce a book of great interest to the Students of Kent State University has been the paramount interest of the Editor and Business Manager of the 1938 Chestnut Burr. Plans of this year's annual have been under way for a year. The result has been this chronological yearbook presenting the highlights of the year's activities in picture and story combined with color and beauty of lay-out form. The thousands of details which go into the make-up of a modern annual must be done by a capable group of assistants.

In carrying these out, these staff members deserve special recognition, for without their complete co-operation and assistance an annual of this type would never have been possible. The Editor and Business Manager felt that our University Yearbook should be more than a series of snapshots of single phases of our campus life, more than a pictorial calendar of the year's events; it should be a portrait of the year as a whole. In presenting this annual they hope they have succeeded in these things.

Editor-in-Chief

Under the able direction of Helen Westcott, Editor-in-Chief, the Kent Stater has accomplished more in journalistic achievement this past year than ever before in the Stater's history.

Forty columns of University news each week . . . semi-weekly for the first time this year . . . that is the 1938 Kent Stater, student newspaper. Five column, four page tabloid size, the Kent Stater for two semesters has presented the campus happenings pictorially and editorially.

Forty alert journalism students covering the University twice a week have located yarns of human interest, news, feature, sports, society, and invention. Down to the Stater office to a typewriter, there to pound out in black and white, the life harbored in this University community. To the copy readers, rewrite men, editors, linotype men, printers and into the forms go the written coverage of KSU. A few column rules, some slugs, galleys of news-containing lead and the Kent Stater goes to bed at the print shop.

First with the announcement of the University's new president-elect Dr. Karl C. Leebrick . . . on to the streets and distributed to the University, 45 minutes after the board had voted. First to carry the resignation of Dean Blanche A. Verder and first to identify her successor, Dean-elect Mary Smallwood, likewise with the resignation of Dean of the Liberal Arts College, Oscar H. Williams and his successor, Dr. Earl W. Crecraft.

A daily paper for one complete week the Stater kept students informed upon the progress of the appropriations bill, which eventually passed the legislature to give KSU more than a million dollars for building expansion.

Pictorially the Kent Stater has been one of the leaders of the country's collegiate newspapers. Picture coverage of important campus activities, personalities, and even photographically-fought campaigns have been the keynote of the year's achievements.

Prof. Wm. D. Taylor, Jr., Head of the Journalism Dept., is advisor for the Kent Stater publication.

The Student Governing Body or Student Senate of the University has as their aim the coordination of the efforts of students, faculty, and the administration. The name Governing Body, or Senate, carries with it an implication of authority, precedence, and decorum. Our Governing Body embodies all of these virtues and in so doing commands the respect and cooperation of all Kent students. Its membership is representative of all the University organizations under the Ranny plan of student government, drawn up by Don Ranney, President of Student Council for 1936-'37.

The national honorary activities fraternity for women was organized on this campus by Dean Verder in 1934. Today it has fourteen active chapters throughout the nation. The primary purpose of this society is to select those leaders on the campus who can as a group render service to the university. The members are chosen from the women of the junior and senior class at bi-annual election meetings. A prerequisite of a two-point-five-average is required to be a member of the organization, and members are also chosen on the basis of scholarship, leadership, character and personality. Since its organization the Kent Cardinal Key chapter has initiated the campaign for a "STUDENT UNION BUILDING", has assumed responsibility for selection and crowning of the May Queen, promoted and directed the first all student musical comedy.

The men's activity program is an outgrowth of the belief that a Dean should give his students helpful supervision, intelligent guidance, help them develop an enthusiasm for life's activities, and give them encouragement for creative endeavor. He realizes that only a small proportion of students have the qualifications necessary for the hard grind of varsity athletics. He does not believe, however, that most students should sit on the bench while the remainder work out. It is therefore necessary to work out a broad program of activities ranging from intramural athletics to creative arts, some part of which will fit the interests of every male student on the campus. This is the purpose of the Men's Union, an organization founded in 1922, that every male student automatically becomes a member upon entering school. Each year Dean Manchester presents a cup to the student who has achieved the most number of points from this program of activities.

Kappa Delta Pi, an educational fraternity, was founded in 1911 by several students of the University of Illinois. The purpose of the organization is to encourage in its members a higher degree of devotion to social service by (1) fostering high intellectual and personal standards during the period of preparation for teaching and (2) recognizing outstanding service in the field of education.

To this end it invites membership to such persons as exhibit worthy educational ideals, sound scholarship, and adequate personal qualifications. It endeavors to develop a high degree of professional fellowship among its members and fosters professional growth by recognizing achievement in educational work.

Delta Beta chapter has been on our campus since 1935 and appears to be as fast growing as our University.

Alpha Psi Omega was organized as an honorary dramatic fraternity, at Fairmont Teacher's College, Fairmont, Va. in 1926, for the purpose of providing an honor society for those doing a high standard of work in dramatics, and incidentally through the expansion of Alpha Psi Omega, there are now 148 Chapters in the U. S., provides a wider fellowship for those interested in the college theatre. Play production is an activity so highly technical that it requires the services of a trained director and all the resources of a large dramatic association organized on the most democratic basis where every member of a student body may have equal opportunity for self-expression. Beta Psi Cast has been on our campus since 1930, when it received its charter. Prof. E. T. Stump, Head of the University Speech Department and faculty advisor, is the Grand Director of the National Organization.

And The Crowd

First Row: Coach J. W. Begolo, E. Seitz, R. Patts, R. Wicks, A. Cox, A. Hall, R. Snyder, L. Worren, H. Harrington, Coach Ray Novotny.

Second Row: R. Rentschler, C. Folcane, D. Alexander, S. Farkas, E. Sullivan, J. Woods, D. Miller, L. Schoffman, J. Riley.

Failure to play good football for both halves of one contest cost the 1937 edition of the Golden Floss gridiron machine the chance of being the most successful team in the history of the institution.

The records show that Coach "Rosy" Starn's men turned in victories over Otterbein, 13-0; Findlay 20-0; and Ashland 14-0. Defeats were handed out by Baldwin-Wallice, 13-0 in the season's opener; Heidelberg 13-7; Buffalo 13-0 and Wooster 15-7. A 13-13 tie was played with Bowling Green.

Offensively, the Starmen tallied 73 points and limited their foes to 67 counters. Carmen Falcane paced the attack with 24 points. Joe Woods contributed the longest run, a 45 yard trek against the Wooster Scots. At Ashland, the Flashes unleashed a vicious attack and piled up a total of 334 yards to set a season's record.

Breaking the tradition that a Kent State team never emerged victorious from Rockwood Field, Ashland, the Starnmen closed their 1937 football season with a decisive 14-0 victory over the Ashland Eagles.

A dazzling aerial attack, coupled with some powerful running plays from a Z formation, were too much for Ashland team who were outplayed in every department of the game. The Flashes made a total of 334 yards to their opponents 135. Sixteen first downs were credited to Kent while Ashland made eight. Both touchdowns were scored on passes, the first Rentschler to Hall in the first period and the other, Sullivan to Harrington in the fourth quarter.

A late rally by Bowling Green's Falcons deprived Kent's Golden Flashes a chance of ending their season with an equal number of victories and losses. Unleashing a powerful passing attack late in the game, the sister institution seemed to baffle the Starnmen and rolled up 13 points to tie the score.

Ashton Hall and Dice Alexander scored Kent's two touchdowns, both in the first half. Kent led in first downs, contributing thirteen to their opponents nine. An optimistic Dad's Day crowd witnessed the fourth tie contest between the two schools since gridiron relations were established in 1920.

Before one of the largest Homecoming crowds in the history of the institution, Coach G. Donald "Rosy" Starn's gridmen defeated a favored Findlay eleven, 20-0, in one of the season's most interesting contests.

Findlay came to Kent a heavy favorite but the Flashes, with its full strength on hand, soon displayed to an excited Homecoming crowd some of the powerful running and aerial tricks that had been kept in store during the early part of the season.

Carmen Falcone, ope fullback, provided the necessary punch in the shades of the goal-posts and crashed through a strong Findlay line for three touchdowns.

Battling on a rain-soaked field, Kent's Golden Flashes defeated Otterbein 13-0 for the initial gridiron victory of the year. The Starnmen led their Ohio Conference foes in every department of the game, scoring 18 first downs to the Otter's two; 212 yards from scrimmage to the opponent's 48 and completing nine passes to Otterbein's two.

The first touchdown of the year was one of the finest executed plays in the history of the University. With the ball on the 29 yard line, Alexander flipped a pass to Hall, who, just before being pulled down, tossed a lateral to Warren who stepped over for the first six points of the year. Falcone plunged over for the second touchdown from the eight yard line early in the second quarter. Both teams failed to score in the second half.

# WRESTLING

Norvin "Nick" Carter in three years of varsity competition won twenty nine matches and lost two. He won first place in 1936 and 1937 in the Inter-State Tournament under the one-hundred-sixty-five pound class, and finished second in 1935 in the Inter-State Tournaments.

Winning eleven of twelve matches and boasting four interstate champions, as well as the team championship, 1938's wrestling squad finished another very successful season under the guidance of Coach Joe Begala. Starting the season with a close win over the freshman squad, 15-11, the team ran up a victory streak of six straight before meeting their only conqueror of the season—powerful Ohio State University.

Captain Buell Graven finished his third year of intercollegiate wrestling with the enviable record of twenty-seven victories and one tie. Graven won interstate championships in 1936-37-38, and was A. A. U. champion in 1936 and 1937. He was judged the outstanding wrestler from a field of 125 entries. In 1936, he was an Olympic finalist.

# BASEBALL

Led by Lyle Warren who batted the apple around at a terrific clip, and Keith Spriggle, who was given the task of filling the shoes of both Morvin Garner and Roy Pinyoun, Kent's 1938 baseball season might be called only mediocre.

Victories were recorded over some of the leading Ohio Conference foes, among which Muskingum, Heidelberg, and Bowling Green were outstanding. Wooster, Findlay and Toledo were the Flashes' conquerors.

Six members of the squad, Warren, Doan, Feduniak, Gulgin, Hoenstein and Hall hit for a seasons average of .300 or over. Spriggle was the outstanding hurler.

**John Carrall Basketball Game**

Guard Paul "Ducky" Hazen, stepping out of his usual role of stationary guard, provided the spark for Kent's court victory over John Carroll on the foreign court. The final count was 44-42.

With the Carrall attack concentrated on Roy Pinyaun and Pete Gulgin, high-scoring forwards, Hazen took to pitching the cowhide and was successful in six action shots. Bert Davidian, playing one of his first games under the Kent regalia, scored 10 points. Kent led 25-16 at half time, but found it very difficult to stem a late Cleveland rally.

### Wooster Game

In one of the most thrilling games of the season, Coach G. Donald "Rosy" Starn's courtmen fell before a powerful Wooster team, 43-37. Concentrating on Nick Frascella, all-Ohio forward, Kent could not cope with the deadly long shots of his mates. Henderson took over the usual Frascella role and dumped in a total of 21 points.

Ernie Sullivan, all-Ohio guard, turned in one of his best performances of the year in limiting Frascella to 10 points. The deadly Scot marksman ended the season as one of the highest scorers in the nation. Wooster led 20-19 at half time but a late game rally widened the gap. Pinyaun led the Flashes with 11 points.

### Findlay Game

Led by Roy Pinyaun who scored eight action shots, Coach G. Donald "Rosy" Starn's basketball squad walloped Findlay 50-31, before one of the largest crowds of the season.

Leading only 23-17 at half time, the Flashes came back strong in the second half to put Kent out in front by a sizable margin. The game was one of the roughest ever witnessed, a total of 31 personal fouls being called.

# MINOR SPORTS

The year 1937-38 saw an added interest in minor sports at the University. Candidates for positions turned out in much larger numbers than in former years. Added facilities and purchase of new equipment, as well as added interest by the student body, have at last put minor sports on the par that the athletic department has been striving for.

Although the track team dropped its four meets this year, high hopes are being held for next year's team. Only two men are graduating and Coach J. W. Begala feels that next year's squad will be the best in the history of the University.

In swimming, the team garnered three wins compared to five losses. Powerful Fenn, the pride of Cleveland swimming circles fell twice before the attack of the charges of Coach Ray Novotny. Much is expected of next year's team which will not be weakened by graduation.

Playing mediocre tennis, the Golden Flashes won four while dropping five contests. This was quite an improvement over last year when the team won but two matches. Graduation will rob the squad of both its number one and two men.

# INTRAMURALS

The winning fraternity team in each sport is awarded a cup emblematic of intramural athletic supremacy in that particular field. The intramural award is given to the fraternity which at the end of the school year has accumulated the most number of points from all intramural sports. This award is distinct from the individual sport trophy and is emblematic of athletic supremacy in all fields of sport.

Added interest . . . especially in independent league . . . bitter rivalry in the fraternity league . . . again won by Delta Phi Sigma . . . Newmon club coming home ahead of the field in the independent league . . . all contributing to the most successful intramural program in the history of the institution.

Beginning with cross-country in the fall . . . continuing through horseshoes, swimming, basketball, track, gym, and golf . . . final results not determined until completion of final events in May . . . remarkable growth of independent league in its second year . . . under capable direction of A. C. Poe . . . fraternity league again continued in usual smooth form . . . under leadership of G. J. Altman.

Steady growth of the institution has made apparent the need of intramural program . . . larger program is being planned for next year.

The Barbarians were organized primarily as an athletic club, which was open to the men on the campus who could not afford to join any fraternity and who desired to be affiliated with some sort of group. Due to the increase in the membership of the club, social life was added to its phases of activities. The Barbs although not on top in the Intramural league, have competed in every event and have made the going tough for the other clubs and fraternities. In the coming years the name "Barbarians" will stand out at Kent State University.
